

## SENIOR ANALYST (ON SITE) REGULATORY POLICY AND PREVENTION Credit Union Deposit Guarantee Corporation

### Who are we?

Credit Union Deposit Guarantee Corporation (the Corporation) is the deposit guarantor for Saskatchewan credit unions and the primary regulator for Saskatchewan credit unions and SaskCentral, together, Provincially Regulated Financial Institutions (PRFIs). We work closely with these institutions to ensure they employ sound business practices to enhance the strength and stability of the Saskatchewan credit union system.

We are seeking a confident, highly motivated professional who enjoys working in a fast-paced environment to join our Regulatory Policy and Prevention team. Our employees benefit from gaining experience and exposure to a wide variety of aspects within the financial services industry.

### What you'll do:

As a Senior Analyst, you will join a team of professionals that collaborate with internal and external system partners in support of the organization's mandate to instill confidence in the Saskatchewan credit union system. Key accountabilities to the position include:

- Research, develop, and implement regulatory policy initiatives for credit unions, including inputs to the Corporation's crisis management framework and deposit guarantee fund initiatives
- Monitor, analyze, and prepare written reports on consolidated PRFI financial and non-financial performance/risk trends
- Conduct ongoing research and analysis of the financial services industry, Saskatchewan credit union system, and the regulatory and economic environment
- Build and maintain effective relationships that support achievement of the Corporation's objectives, such as proactive loss prevention and PRFI self-regulation

### What you'll need:

- Undergraduate degree in business administration or commerce; a professional designation would be considered an asset (or an equivalent combination of education and experience)
- Three to five years' experience in the financial services industry, regulatory environment, crisis management, or a finance-related field
- Proven knowledge in policy development, financial analysis, and reporting; strong research, communication, and writing skills are required
- Demonstrated ability in presenting information and facilitating discussions with key stakeholders

Core competencies focus on teamwork, communication, problem solving & decision making, service excellence, conflict resolution, and building relationships.

### What we offer:

The salary range for this position is \$84,800 to \$106,000. We offer competitive benefits, immediate coverage of health and dental insurance, matched pension contributions, an employee wellness program, maternity/parental benefits, and education, training, and development opportunities. Our hybrid work model offers flexibility of partial remote work upon agreement. For more information on the Corporation, please visit our website
